

Shipping to Asia, send with

Over the past four years, our 'Japan Box' has experienced great popularity with customers wishing to ship to Japan in an economic and efficient manner. OCS sends our sincere appreciation to all valued customers for using us for your courier needs to Japan. With great excitement, we take this opportunity to offer the same benefits, but now to a broader selection of countries throughout Asia.

Introducing The New 「 Asia Box 」 !!

Our new 'Asia Box' is the perfect service for those heading home from Australia; be they exchange students, working holiday participants or individuals wishing to send personal effects home. At an incredibly reasonable rate, we offer air freight shipping faster than the traditional sea freight, but for just a fraction of the price and with none of the usual limitations experienced by traditional post.
